Commercial Service List - RANS Members

RANS Members who enroll in a Mouse Man contract will have their setup fees waived and receive a **20% discount** on contracted services. For contracted customers, any required work outside of the contract will also be discounted.

Customized service plans & quotes are available. Please reach out to our office should you have any questions.

Services are available province-wide. Locations outside of the HRM may incur travel fees. Weekend and after-hours/emergency charges apply where applicable.

Existing contracts can be adjusted based on required service levels.

All contracts include rodent exclusion (sealing), rodent & insect trapping, and rodenticide/insecticide applications.

Discounts available for contracts with multiple locations.

Contracts are signed on a 6-month basis.
